Town Facilities Subtotal	\$ 2,279,400	\$ 1,857,500	\$ 537,500	\$ 522,500	\$ 512,500	\$ 5,709,400	

Town of Stratford Adopted Capital Improvement & Equipment Program

Program	Town Facilities		
Lead Department	Building Maintenance		
Project Name	Municipal Building Renovations		
New	No	Replacement	Yes
Current Age	Varies	Estimated Life	15-20
Reason for Need	Improve the exterior and interior surfaces of municipal owned buildings. The suggested funding levels would allow the Town to complete three interior/exterior projects each year.		

Cost 2009	\$75,000
Cost 2010	\$75,000
Cost 2011	\$75,000
Cost 2012	\$75,000
Cost 2013	\$75,000
Total Cost	<u>\$375,000</u>

Potential Funding Source	General Fund
Possible Savings or Other Considerations	
Fund	Capital Improvement

Town of Stratford Adopted Capital Improvement & Equipment Program

Program	Town Facilities		
Lead Department	Highway		
Project Name	Nitrogen Tank at Town Garage		
New	Yes	Replacement	No
Current Age	Varies	Estimated Life	15
Reason for Need	Installing a Nitrogen tank at the Town Garage would allow us improve fuel economy, increases tire life, and help to ensure safety. Using nitrogen in the tires will save the Town money over the life of the tires.		

Cost 2009	\$13,090
Cost 2010	\$0
Cost 2011	\$0
Cost 2012	\$0
Cost 2013	\$0
Total Cost	\$13,090

Potential Funding Source	General Fund
Possible Savings or Other Considerations	
Fund	Capital Improvement

Town of Stratford Adopted Capital Improvement & Equipment Program

Program	Town Facilities		
Lead Department	Highway		
Project Name	Electronic Gate at Town Garage		
New	Yes	Replacement	No
Current Age		Estimated Life	15-20
Reason for Need	Electronic Gate System will provide added security to the PW Garage lot for Town vehicles entering to refuel and use Highway services. This gate will have an electronic eye to identify each vehicle as a Town vehicle.		

Cost 2009	\$9,500
Cost 2010	\$0
Cost 2011	\$0
Cost 2012	\$0
Cost 2013	\$0
Total Cost	\$9,500

Potential Funding Source	General Fund
Possible Savings or Other Considerations	
Fund	Capital Improvement

Town of Stratford Adopted Capital Improvement & Equipment Program

Program	Town Facilities		
Lead Department	Building Maintenance		
Project Name	Roof Management		
New	No	Replacement	Yes
Current Age	0	Estimated Life	15-20
Reason for Need	To make necessary roof repairs on Town buildings and schools.		

Cost 2009	\$50,000
Cost 2010	\$50,000
Cost 2011	\$50,000
Cost 2012	\$50,000
Cost 2013	\$50,000
Total Cost	<u>\$250,000</u>

Potential Funding Source	General Fund
Possible Savings or Other Considerations	
Fund	Capital Improvement

Town of Stratford Adopted Capital Improvement & Equipment Program

Program	Town Facilities		
Lead Department	Building Maintenance		
Project Name	Police Garage Door Replacement		
New	No	Replacement	Yes
Current Age	20	Estimated Life	25+
Reason for Need	Replace two large exterior aluminum hollow core doors which have deteriorated over time. These doors have repeated failures and need to be replaced in 2009.		

Cost 2009	\$10,310
Cost 2010	\$0
Cost 2011	\$0
Cost 2012	\$0
Cost 2013	\$0
Total Cost	\$10,310

Potential Funding Source	General Fund
Possible Savings or Other Considerations	
Fund	Capital Improvement

Town of Stratford Adopted Capital Improvement & Equipment Program

Program	Town Facilities		
Lead Department	Police		
Project Name	Police Upgrade Old Dispatch to Office		
New	No	Replacement	Yes
Current Age	30	Estimated Life	25+
Reason for Need	Lobby updates have begun in 2008 and remainder of the project will cost \$10,000 for painting, replacing worn floor tiles and broken light fixtures.		

Cost 2009	\$10,000
Cost 2010	\$0
Cost 2011	\$0
Cost 2012	\$0
Cost 2013	\$0
Total Cost	\$10,000

Potential Funding Source	General Fund
Possible Savings or Other Considerations	
Fund	Capital Improvement

Town of Stratford Adopted Capital Improvement & Equipment Program

Program	Town Facilities		
Lead Department	Highway		
Project Name	Police Ethanol Pump Tanks		
New	Yes	Replacement	No
Current Age	0	Estimated Life	10
Reason for Need	It is necessary for the Town to invest in converting over existing gasoline tank to ethanol tank because all new vehicles will be flexible-fuel vehicles using E85 fuel. Using ethanol, in particular E85, results in less pollution and smog-forming emissions. Having ethanol pump on premises would allow for commodity purchasing which reduce overall cost of fuel for these vehicles.		

Cost 2009	\$4,000
Cost 2010	\$0
Cost 2011	\$0
Cost 2012	\$0
Cost 2013	\$0
Total Cost	\$4,000

Potential Funding Source	General Fund
Possible Savings or Other Considerations	
Fund	Capital Improvement

Town of Stratford Adopted Capital Improvement & Equipment Program

Program	Town Facilities
Lead Department	Senior Services
Project Name	Cont. ADA Baldwin Center Improvements
New	No Replacement No
Current Age	Estimated Life
Reason for Need	Continue to address ADA compliance and paint various areas, interior woodworking repairs as well as new sub floor and carpet tiles at the Baldwin Center.

Cost 2009	\$10,000
Cost 2010	\$45,000
Cost 2011	\$0
Cost 2012	\$0
Cost 2013	\$0
Total Cost	<u>\$55,000</u>

Potential Funding Source	General Fund
Possible Savings or Other Considerations	
Fund	Capital Improvement

Town of Stratford Adopted Capital Improvement & Equipment Program

Program	Town Facilities		
Lead Department	Engineering		
Project Name	Animal Control Facility		
New	No	Replacement	Yes
Current Age	30	Estimated Life	30
Reason for Need	Existing facility does not meet the needs of future animal control efforts. This is in accordance with a 2002 needs assessment that was performed by A. J. Palmieri, Architect & Associates. In FY 2006 \$175,000 was bonded to fund design costs. In FY 2008, \$500,000 in Bond Anticipation Notes were sold in anticipation of the project.		

Cost 2009	\$1,000,000
Cost 2010	\$0
Cost 2011	\$0
Cost 2012	\$0
Cost 2013	\$0
Total Cost	<u>\$1,000,000</u>

Potential Funding Source	Bond
Possible Savings or Other Considerations	
Fund	Capital Improvement

Town of Stratford Adopted Capital Improvement & Equipment Program

Program	Town Facilities		
Lead Department	Highway		
Project Name	Parking Lot Resurfacing		
New	No	Replacement	Yes
Current Age	Varies	Estimated Life	15
Reason for Need	Resurfacing parking areas at municipal and school facilities based on condition and availability of funding. This project will allow the Town to fund and schedule resurfacing projects in an efficient manner preventing costly reconstruction projects.		

Cost 2009	\$100,000
Cost 2010	\$100,000
Cost 2011	\$100,000
Cost 2012	\$100,000
Cost 2013	\$100,000
Total Cost	<u>\$500,000</u>

Potential Funding Source	Bond
Possible Savings or Other Considerations	
Fund	Capital Improvement

Town of Stratford Adopted Capital Improvement & Equipment Program

Program	Town Facilities		
Lead Department	Police		
Project Name	Stand By Generator: Police Station		
New	No	Replacement	Yes
Current Age	38	Estimated Life	15
Reason for Need	A stand by generator is needed to maintain critical systems such as radio communications and prisoner monitoring. Parts and service is no longer available for the building's 1970 generator. A 250 kW generator and associated accessories will be purchased		

Cost 2009	\$0
Cost 2010	\$0
Cost 2011	\$0
Cost 2012	\$0
Cost 2013	\$0
Total Cost	\$0

Potential Funding Source	Bond
Possible Savings or Other Considerations	
Fund	Capital Improvement

Town of Stratford Adopted Capital Improvement & Equipment Program

Program	Town Facilities		
Lead Department	Town Buildings		
Project Name	Stand By Generator: Town Hall		
New	Yes	Replacement	No
Current Age	0	Estimated Life	5
Reason for Need	<p>A stand by generator is needed to maintain critical systems such as email communications and phone. The Town's servers and network infrastructure is located in the basement at Town Hall. Each time, a power failure lasts more than 10 minutes, all of our servers crash. Town Hall should be operational even during a power outage in case of a town wide emergency. A 250 kW generator and associated accessories will be purchased to help ensure operational ability.</p>		

Cost 2009	\$200,000
Cost 2010	\$0
Cost 2011	\$0
Cost 2012	\$0
Cost 2013	\$0
Total Cost	\$200,000

Potential Funding Source	Bond
Possible Savings or Other Considerations	
Fund	Capital Improvement

Town of Stratford Adopted Capital Improvement & Equipment Program

Program	Town Facilities
Lead Department	Emergency Management
Project Name	Stand By Generator: Bunnell High School
New	No Replacement No
Current Age	Estimated Life
Reason for Need	<p>A stand by generator is needed to maintain critical systems for this facility which is the Town's primary shelter and also has been designated a POD for Shelton, Trumbull and Stratford. In the case of an area wide emergency, this facility will act as a shelter for all three communities. Homeland Security grant money has not been awarded for a stand by generator. A 250 kW generator and associated accessories will be purchased.</p>

Cost 2009	\$0
Cost 2010	\$0
Cost 2011	\$0
Cost 2012	\$0
Cost 2013	\$0
Total Cost	\$0

Possible Savings or Other Considerations	
Fund	Capital Improvement

Town of Stratford Adopted Capital Improvement & Equipment Program

Program	Town Facilities		
Lead Department	Town Buildings		
Project Name	Public Access: Auto External Defibrillators		
New	Yes	Replacement	No
Current Age	0	Estimated Life	5
Reason for Need	Establish a program for Public Access Automatic External Defibrillators. Placement of 1 AED's for each for Stratford buildings.		

Cost 2009	\$40,000
Cost 2010	\$0
Cost 2011	\$0
Cost 2012	\$10,000
Cost 2013	\$0
Total Cost	\$50,000

Potential Funding Source LoCIP

Possible Savings or Other Considerations

Fund Capital Improvement

Town of Stratford Adopted Capital Improvement & Equipment Program

Program	Town Facilities		
Lead Department	Emergency Management		
Project Name	Emergency Communication System		
New	Yes	Replacement	No
Current Age		Estimated Life	Indefinite
Reason for Need	This emergency management system will allow for the Town to proactively notify town residents, especially seniors, of emergencies and other important public service announcements.		

Cost 2009	\$80,000
Cost 2010	\$0
Cost 2011	\$25,000
Cost 2012	\$0
Cost 2013	\$0
Total Cost	<u>\$105,000</u>

Potential Funding Source	LoCIP
Possible Savings or Other Considerations	
Fund	Capital Improvement

Town of Stratford Adopted Capital Improvement & Equipment Program

Program	Town Facilities		
Lead Department	Town Buildings		
Project Name	Town Hall HVAC		
New	No	Replacement	Yes
Current Age	0	Estimated Life	20
Reason for Need	Replace roof and heating/cooling system at Town Hall. Condensation of existing system has caused several problems with the Chamber ceiling. System will be more energy efficient and reduce costs.		

Cost 2009	\$0
Cost 2010	\$200,000
Cost 2011	\$0
Cost 2012	\$0
Cost 2013	\$0
Total Cost	\$200,000

Potential Funding Source	LoCIP

Town of Stratford Adopted Capital Improvement & Equipment Program

Program	Roads & Sewers		
Lead Department	Engineering		
Project Name	Widen Freeman Brook @ Oronoque		
New	No	Replacement	Yes
Current Age	30	Estimated Life	50
Reason for Need	<p>Conduct study on design, permit and construct improvements in order to widen Freeman Brook along Algonquin Trail in Oronoque Village for the purpose of increasing stream capacity and prevent flooding to several condominium garage units. Also included is the work necessary to retain increased runoff downstream to mitigate existing problems downstream of this location. Several erosion problems have been reported south of the Merritt Parkway on Freeman Brook.</p>

Town of Stratford Adopted Capital Improvement & Equipment Program

Program	Parks & Recreation		
Lead Department	Recreation		
Project Name	Park and Recreation Improvements		
New	No	Replacement	Yes
Current Age		Estimated Life	25

Reason for Need

Bonding for important Park and Recreation projects needed throughout the Town of Stratford.

The following projects have been requested as part of the Park and Recreation Master Plan (2008-2013):

- Platform Tennis Courts
- Water Park at Short Beach
- Dog Park
- Short Beach Playground Renovations
- Bocce Courts and Horseshoe Pits at Longbrook Park
- Warning Track at Clover Field
- Handball Court Refurbishing at Woodend Road
- Feasibility Study to Improve Frash Pond
- Aeration System at Brewsters Pond
- Pony League at Wooster Fields
- Basketball Courts at Second Hill

Many of these projects are necessary to fulfill the mission of the Recreation Department and Park and Recreation Committee to provide high quality recreation facilities for all.

Town of Stratford Adopted Capital Improvement & Equipment Program

Program Parks & Recreation

Lead Department Parks

Project Name Restoration/Improvements at Penders Field

New No **Replacement** Yes

Current Age 25 **Estimated Life** 25

Reason for Need Penders Field is the home of two Stratford High School sports programs, football and baseball. In addition, baseball programs such as Senior City, Babe Ruth and American Legion also use this field when high school sports end for the season. The condition of this field has deteriorated and a few minor repairs are currently being made to improve this field.

Currently, maintaining this field has been a challenge due to its multi-use nature and long playing season. Field Improvements should be addressed at Penders. New parking and lighting is necessary at the field as well as address many drainage issues that lead to flooding and make the fields impossible to play on. In addition, design work to restore the baseball fields as well as improve the football field is necessary to allow the fields to rest during the off season and encourage regrowth which would preserve them. A new utility building should be constructed and add a press box which Penders Field currently does not have.

Cost 2009	\$0
Cost 2010	\$750,000

Town of Stratford Adopted Capital Improvement & Equipment Program

Program	School Improvements		
Lead Department	School Facilities		
Project Name	Safety and Security Improvements		
New	Yes	Replacement	Yes
Current Age	Varies	Estimated Life	20
Reason for Need	<p>Doors and hardware are broken at many of the Town schools. Doors that do not lock properly create a safety issue in the case of a lockdown emergency. The Board of Education has included this request in their 5 year Capital Improvement Plan. The Police Department and Emergency Management can apply as the lead applicant for a grant offered by the Department of Justice called "Secure Our Schools" which will allow these repairs and funds to apply as the Town cash match for the program.</p>		

SOS gives grantees the opportunity to establish and enhance a variety of school safety efforts within their communities. Funds can be used for placement and uses of metal detectors, locks, lighting and other deterrent measures, security assessments and other measures that could significantly increase school security. The town matching fund requirement is 25%.
