

RFP #2009-032  
Landscape Design for  
Hunter Haven Property

ADDENDUM-2  
April 6, 2009

The following modifications have been made to the contract documents for the Landscape Design for the Hunter Haven Property RFP. Please add the following to the RFP in response to questions posed during the mandatory Site walk completed on April 2, 2009:

Under **General Information (Page 2 of 4)**:

Add Section 6: Please provide a detailed cost to identify the boundaries of the wetland area at the Site in proximity to the proposed Animal Control Facility. The wetland boundary should be appropriately identified and flagged for survey by a certified soil scientist for the Town of Stratford Surveyor.
