

RFP #2009-094
ADDENDUM #1
December 30, 2009
REQUEST FOR PROPOSALS
5 BRIDGE EVALUATION STUDY

Town of Stratford, CT

A1. In order to clarify the bridges to be studied in this project, the Town has **added to the scope of the study, the adjacent bridge on Broad St.** The bridges to be studied are:

1. Bridge No. 06133, *Broad St* from Stormwater pump station;
2. Bridge No. 06132 *Surf Ave* over un-named stream at I-95 westbound off ramp 30;
3. Bridge No. 04945 *Whippoorwill Lane* over Pumpkin Ground Brook;
4. Bridge No. 06096 *Broadbridge Ave* over Bruce Brook;
5. **Bridge 138-005 *Broad St* over Ferry Creek.**

Bridge Inspection reports from the Department of Transportation are available by contacting the Town Engineer at 203-385-4013 or e-mail to jcasey@townofstratford.com. These reports include:

Bridge No. 06133, *Broad St*- 1-20-06 report- (3-10-08 available by e-mail)
Bridge No. 06132 *Surf Ave*- 10-21-05 report- (12-7-07 available by e-mail)
Bridge No. 04945 *Whippoorwill Lane*- 8-20-09 report- (available by e-mail)
Bridge No. 06096 *Broadbridge Ave*- 1-30-09 report (available by e-mail)
Bridge No. 138-005 *Broad St*- 3-6-91 report

A2. Fee proposals for design services as requested are for bridge 138-005 and 04945. The consultant shall assume that the Town will be funding the design and construction for these two potential projects. The Town reserves the right to send out new RFQ's for design services if required by alternate funding sources.

A3. **The due date has been changed to 3:00pm on January 11, 2009.**

Michael Bonnar, Purchasing Agent
