

ADDENDUM #1

**BID No. 2010-009
Town of Stratford
Issued: March 9, 2010
Type II Ambulance**

The following specification for Batteries replaces the Batteries specification in the bid.

BATTERIES: Provide a total of three (3) matching Motorcraft batteries. Two (2) primary batteries shall be installed in the battery box. One (1) back-up battery shall be installed to provide an emergency start system in the event that the two (2) primary batteries fail. A manual dashboard switch shall be installed to permit alternating the batteries during a battery failure. The dashboard switch shall be labeled.

Bidder Complies YES_____ NO_____
