

BOOTHE MEMORIAL PARK & MUSEUM
BOOTHE PARK COMMISSION
STRATFORD, CT 06615

The Boothe Park Commission will hold its annual Great Pumpkin Festival at Boothe Memorial Park, Stratford, on October 15, 2016 from 1:00 - 5:00 p.m. The Festival is a fun-filled day for both adults and children. Events include horse-drawn hayrides, a costume parade, games, music and much more. One of our most popular activities is the Pumpkin Carving Contest in which giant pumpkins are sculpted into works of art.

The funds for the festival are raised in part by individual and business sponsor-ships. Your donation is tax-deductible and will be recognized at the event if sub-mitted by October 11. We appreciate your considering making a contribution to this worthwhile community event.
